Subject- Regarding notifying all principals of Government Engineering colleges and Polytechnic colleges to encourage the students to apply for Bihar Innovation Challenge – 2023.

Dear Sir,

Greetings from Department of Industries, Government of Bihar!

Startup Bihar, is organizing **Bihar Innovation Challenge - 2023** on **4th** and **5th October 2023** in Patna, Bihar.

Bihar Innovation Challenge - 2023 (BIC-2023) is an all-India innovation challenge being conducted by Startup Bihar, Department of Industries. This event aims to find & foster innovation at all levels and help them commercialize through successful ventures.

BIC-2023 is inviting applications from students, innovators, startups, and research scholars from all over India who are developing innovative solutions to the current pressing problems using cutting-edge technologies in the following areas-

- Robotics and Drone
- Agri-tech and allied sectors
- Med-tech/Biotech/Health-tech
- Heritage, culture, and tourism
- Clean and Green Environment
- Fintech
- Edu-tech

Applications are **now open** for BIC-2023 and the **last date** to apply is 30th August 2023. Application Link ishttps://startup.bihar.gov.in/innovationchallenge
Winners and runner-ups will be awarded cash prizes, gift hampers, certificates, and further technical/funding support for product development. Also, all participants will get participation certificates from the Dept. of Industries, Government of Bihar

This program will also provide the students with a great learning and networking opportunity with Industry experts, investors, mentors, and many more.

We request you to notify all Govt. engineering and polytechnic colleges to encourage their students to participate in this mega innovation challenge and make this event a grand success.

For more details, the event brochure is annexed with this letter for your kind perusal.

Looking forward to building an entrepreneurial ecosystem together

Thanks and regards,
